Dear Ms. Hartzell and Mr. Jankauskas:

SUBJECT: BROOKHAVEN NATIONAL LABORATORY (BNL) INTERAGENCY
AGREEMENT (IAG) PHASE 4 CHARACTERIZATION REPORT

This letter is to advise you that the Phase 4 Characterization Report for the investigation of PFAS and 1,4-Dioxane in On-site and Off-site Monitoring Wells, Extraction Wells, and Treatment Systems is being made available online. Due to the large size of the report, it is being made available on a Microsoft Teams Site that has been established for our regulatory community. Mr. Robert Howe, of BNL, has emailed you an invitation to the Teams Site.

For questions concerning the Teams Site, please contact Robert Howe at (631) 344-5588. If you have any other questions please contact Jerry Granzen, of my staff, at (631) 344-4089.

Sincerely,
